

LCA Forum 68

LCA of key technologies for future electricity supply

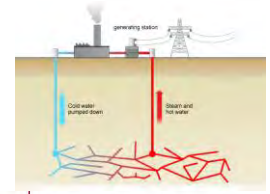

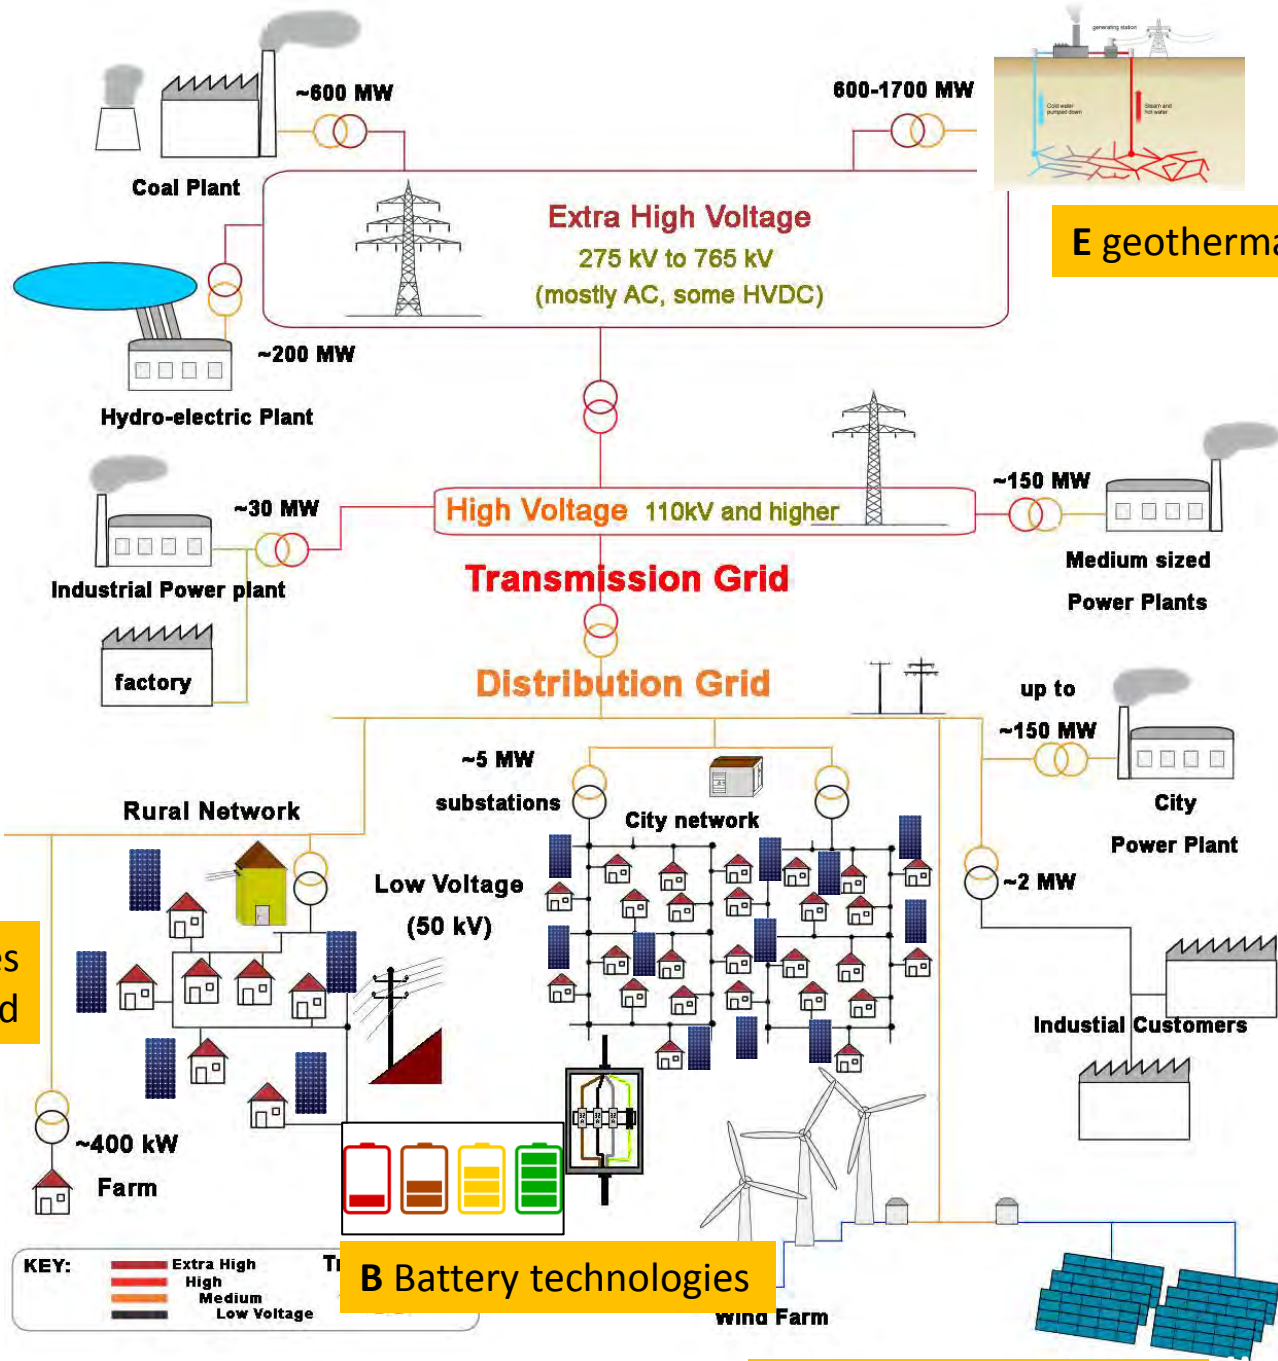

ETH Zürich, 16 April, 2018

Morning: 9:15-12:45
Afternoon: 13:45-16:45

WLAN access: public-5 or public
login: LCAforum / password: DF68

E geothermal power plant

A challenges for the grid

B Battery technologies

D PV panel technologies

Your day today

Morning

- Challenges and solutions in greening the grid
- Key technologies: batteries

Afternoon

- Short presentations
- Key technologies: PV
- Key technologies: Geothermal
